139 Empress Road, L7 8SF, Liverpool

PAST EMPLOYMENT

- **Ultimate Link Ltd.**
Business IT Support/Systems Administrator
I provided IT support for the company's clients both over the phone and on-site. In addition to this I managed clients off-site backups and made sure that they ran smoothly and consistently. I also did some in-house work such as setting up an encrypted password database with remote access for other staff based on MongoDB.
January 2019 - June 2019
- **The Lakeland Climbing Centre Ltd.**
Junior Bookkeeper
I worked as an assistant to the Finance Director and Bookkeeper by doing data entry, such as large batches of invoices, credit notes and statements. In addition to this I processed customer membership and sent out invoices to other businesses.
June 2018 - July 2019
- **Lakeland Ltd.**
Sales & Customer Support
I worked in the Lakeland call centre handling sales and customer service issues over the phone.
September 2018 - January 2019

OTHER

- **Combined Cadet Force (CCF)**
I achieved the rank of corporal and was put in charge of six men during a training camp week at Swynnerton Army Base.
- **Sailing**
RYA level 4 sailor with seamanship skills.
